Keep In Mind:

This is the end of the season. Some of your sons or daughters have played over 60 games this summer. Let's keep in mind what this league is about. Woodside wants each player to get extra reps hitting, pitching and fielding and for each player to meet other players and fly around the field having fun on the nicest fields in Wisconsin. We are playing 2022 age groups and many of the players will be playing with new field distances so there will be growing pains. Teach the kids to play the game hard and with a smile on their face. This league is to make players better. Swing the bat, field the ball and hustle! It's going to be fun!

THERE ARE TWO DIFFERENT COMPLEXES:

The Mauston Complex has fields 1-8. The address is W4217 50th St. Mauston, WI 53948.

The Wisconsin Dells Complex has fields 9-14. The address is 4770 Hwy 13 Wisconsin Dells, WI 53965. The complex is about ¼ mile south of Chula Vista Resort.
